

Although the date and venue have not yet been set, the club committee have started planning for this years Flintshire Phantoms Annual General Meeting. The meeting gives members the opportunity to express their views and discuss issues that affect the future of the club. It is hoped that this years AGM will be held at a venue away from the Deeside ice rink and will provide an opportunity for socialising as well as dealing with the main business of the meeting. Club members who would like specific items for discussion added to the agenda (questions, concerns, ideas etc) should e-mail them to the club secretary as soon as possible to ensure inclusion.
