

You asked for more games and now there starting to come through. Toby's been hard at work arranging fixtures and has set up a double header for us against the Telford Spartans. The games will be at Deeside on Saturday, August 12th in place of our regular training session with the return leg at Telford the following day, Sunday, August 13th; face off 9.30pm (TBC).

Anyone who hasn't yet confirmed availability and wants to play should contact Toby ASAP.
