

For the first time ever, Deeside Ice Rink is to host a hockey school this spring. The school is being run by instructors with extensive international experience, assisted by the Flintshire Freeze Head Coach, Gary Shaw. The school is for 7 to 15 year olds and will provide a positive, exiting environment for learning. If your child plays ice hockey and you live in the surrounding area, North Wales, Cheshire or Merseyside, then this is an excellent opportunity for them to attend a first class hockey school close to home.
