

There is now a provisional date for the return leg against the Aardvarx at Deeside. The game has been pencilled in for Saturday, 02/09/06, at our normal training session time. However, we also have the option to play the game on the previous night, Friday 01/09/06, at the same time, 10.30pm.

This option has the advantage of allowing us to play the game and keep our training session but depends on there being players available on the Friday.

The choice is yours! Contact Glyn ASAP and let him know your preference so he can decide which night to book.
