

Ex-Phantom player Mick Shapiro has been forced to hang up his skates due to an injury sustained while riding his motocrosser. Mick told us "It is with deep regret that I cannot play anymore". So, under the circumstances, Mick has decided to sell his kit; all of which is in mint condition as he only got to wear it about 5 times.

The kit for sale consists of the following items:

Toronto Maple Leafs Jersey (Official Canadian Product CCM) Large

CCM Tacks 452 Chest/Shoulder Pads (Medium). White Bauer HH3000M Helmet

CCM Tacks 652 Elbow Pads. CCM 252 Powerline Gloves (Black/White)

CCM Tacks 452 Pants (Large - Black). KOHO 4420 Knee/Shin Pads

Black Socks. Canadian Protex Jock/Garter Belt

Black & Silver Eastwood Kit Bag

Louisville ABS 2100 Pro Flex Stick (Right)

Easton 100 Flex Ultra Flex Carbon Fibre Stick (Right)

Spare Easton Blade (Wicked Curve!)

Mick would like to sell the kit as quickly as possible and that's why he's asking only £200 for the full kit; as he said, after having to give up the game, "just looking at this gear is hard".
